

Touring Joara

**Join the Table Rock Sports Car Club &
Exploring Joara Foundation on a
European/Sports Car Tour and Poker Run**

**Follow in the footsteps of Explorers and Patriots
while enjoying some of North Carolina's
most scenic and challenging roads**

Join automotive enthusiasts from all over the Southeast in touring the North Carolina mountains and foothills on October 3, 2015. This event is sponsored by the Table Rock Sports Car Club to benefit Exploring Joara Foundation, a nonprofit organization that supports public archaeology in the Catawba and Yadkin river valleys. There will be three stops on the tour where participants can check-in and pick up poker cards. **Registration check in 7:30 – 8:45 AM / Exploring Joara Presentation 8:45 / Driver's Meeting 9:10. Tour vehicles roll out at 9:30 sharp.** The tour will begin at the Catawba Meadows Park, 701 Sanford Dr. Morganton, NC where you will pick up your first card. The Tour will end at South Creek Vineyards & Winery, 2240 South Creek Rd. Nebo, NC 28761. Touring Joara poker hand prizes will be awarded at South Creek Winery at 3:30 PM.

Lunch will be available at the Winery by Poor Man BBQ & More. Plan to have lunch at the Winery and enjoy some delicious BBQ and world class wines in a welcoming ambiance at a historic century plus Renaissance Farmhouse. We will be getting out info on the menu, etc.

This year's Tour event will take participants on some of the most scenic and historic roads in Western North Carolina and will include Hwy 181 and 226 A the Diamondback.

At Catawba Meadows Park you will witness the continued construction of a new living history center that is a major project for Exploring Joara Foundation. This project will give visitors a glimpse into the distant past of Burke County and North Carolina. Exploring Joara Foundation has raised \$150,000 to build two reproductions of Native American houses with a stockade fence and a garden so that you can see how the Native Americans were living in Burke County when Juan Pardo arrived here in 1567. This project is ongoing and will eventually include a museum to house artifacts and an archeology trail. This is a very exciting project that will provide North Carolina with an important historical resource.

More tour details, such as accommodations, tour map, directions, and points of interests, will be provided upon registration. Also, registration will include a Touring Joara dash badge and a list of driving and traveling tips to prepare you for North Carolina mountain roads. Most of these items will be available at the tour check-in. Driver tour fees are provided on the registration form below.
